Nightmares

## Nightmares

By AniSky

A shiver in the night,

> A scream of unending fright, <br> A nightmare, or is it a memory?

> In my mind, it makes me see <br> my conscience is not light.

I've been down to the devil's lare,

> I see the faces in a nightmare, <br> The people I've killed,

> The blood that I've chilled. <br> Could I run away? But where?

My life has become nothing more,

> Then a side of an evil war, <br> How did I change that much without knowing?

> How could I forget that when I'm going, <br> I may end up dead on the floor?

How can I keep up fighting this fight?

> With so many deaths, I can't sleep in the night? <br> Will I keep hurting, will I still kill?

> When the war is over, will I do it still? <br> How can I make this whole charade right?

\_ Tell me what you think! \_
